Complex Analysis Without Seniors

Östanskär, Sweden, 2-3 May, 2024

Organizers: Álfheiður Edda Sigurðardóttir and Bergur Snorrason, University of Iceland.

Thursday, May 2

Arrival	Coffee with sandwich
17:40–18:00	Bergur Snorrason, <i>General Product Formulas</i> . (pluripotential theory)
18:10–18:30	Álfheiður Edda Sigurðardóttir, <i>A Generalization of Runge's Theorem</i> . (approximation in several variables)
18:40–19:00	Aron Persson, <i>Manifold-like Polyfolds as Objects in Complex Geometry</i> . (complex geometry)
19:30	Dinner

Friday, May 3

10:00–10:20	Suproakash Hazra, <i>Schlichtness of the Envelope of Holomorphy for Truncated Tube Manifolds</i> . (complex geometry)
10:20–10:50	Swedish Fika
10:50–11:10	Andreas Granath, <i>The Complex Nature of Elasticity Theory</i> . (applied complex analysis)
11:20–11:40	Gaofeng Huang, <i>Hamiltonian Carleman Approximation for the Calogero-Moser Space</i> . (holomorphic approximation)
12:00–13:00	Lunch
13:00–13:20	Mi Hu, <i>Improvement of Newton's Method</i> . (complex dynamics)
13:30–13:50	Olof Rubin, <i>Illustrating Chebyshev Polynomials</i> . (approximation in the complex plane)
14:00–14:20	Rahim Nkunjimana, <i>An Argument Principle for Holomorphic Matrices</i> . (residue currents)

Participants

Andreas Granath, Umeå University, `andreas.granath@umu.se`

Suproakash Hazra, Mid Sweden University, `suproakash.hazra@miun.se`

Gaofeng Huang, University of Bern, `gaofeng.huang@unibe.ch`

Mi Hu, University of Oslo, `humihqu@gmail.com`

Cansel Kuyumcu, Umeå University/Ege University, `celinecanselkuyumcu@gmail.com`

Aleksandra Le, Lund University, `ai_my_aleksandra.le@math.lth.se`

Maria Beatriz Marim de Moura, Mid Sweden Univ., `mariabeatriz.marimdemoura@miun.se`

Mårten Nilsson, Lund University

Rahim Nkuzimana, Chalmers/GU, `rahimnk98@gmail.com`

Aron Persson, Uppsala University, `aron.persson@math.uu.se`

Olof Rubin, Lund University, `olof.rubin@math.lth.se`

Mar Saiz Aparicio, University of Stavanger, `marisaizaparicio@gmail.com`

Álfheiður Edda Sigurðardóttir, University of Iceland, `alfheidur@hi.is`

Bergur Snorrason, University of Iceland, `bergur@hi.is`

Ludvig Svensson, Chalmers/GU, `ludsvan@chalmers.se`
